The International Health Summit

The Prague Symposium 2004

Innovate

New Health for an Expanded Europe

Balancing Equity & Economics

MARRIOTT HOTEL PRAGUE

CZECH REPUBLIC

SEPTEMBER 5-8, 2004

**International
Health Summit**

How will an expanded European Union impact health sector performance?

Will costs and quality go up as national boundaries go down?

Join senior health sector leaders from Eastern and Western Europe to explore the threats and opportunities of an expanded European Union.

Who should attend?

private and public hospital managers
health insurance plan executives
health sector entrepreneurs
health policy analysts
pharma and medical technology firms
employee health benefits designers
I.T. innovators
public health protectors

Goal of Symposium

Create relaxing environment for networking and idea exchanges that advance the development of successful public-private collaboration for better health care and health gain.
